

World Voyage Planner: Planning a Voyage from Anywhere in the World to Anywhere in the World

Jimmy Cornell is the undisputed authority on long distance voyaging. In his new book, he helps the would-be voyager plan their trip step by step. Aimed at those seriously contemplating an extended cruise (and those dreaming about the possibility), this book will give an idea of what is involved in developing the right strategy. Amongst many other aspects, Jimmy looks at:- World weather systems- Strategies for sailing long or short circuits in the Atlantic, Pacific and Indian Oceans- The pros and cons of different routes at different times of year (taking in account weather, timings, wind directions and strengths, likelihood of fog, icebergs, gales, etc)- The pros and cons, attractions and dangers of different routes (such as the problem of piracy)- Practicalities (repair facilities, common gear breakage on extended voyages, places to leave the boat to fly home if necessary, health considerations, provisioning for a long trip, personal safety measures, and much more)- Jimmy's top ten list of common things that ruin a voyage. Written from an international point of view, Jimmy Cornell's Blue Water Voyage Planning can help sailors from any country going to any other achieve a safe and enjoyable cruise.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
