

Families Caring Across Borders: Migration, Ageing and Transnational Caregiving

This is an ethnographic account of the transnational caregiving experiences and practices of Australian migrants and refugees, caring for their elderly parents in Europe, the Middle East, Asia and New Zealand. It describes how people respond to unprecedented mobility (both voluntary and forced), globalized job markets and an ageing population.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
