

Anything But Ordinary

Bryce remembers it like it was yesterday: the scent of chlorine, the blinding crack and flash of pain, blood in the water. When she wakes up in the hospital, all Bryce can think of is her disastrous Olympic diving trial. But everything is different now. Bryce still feels seventeen, so how can her little sister be seventeen too? Life went on without her while she lay in a coma for five years: Her best friend and boyfriend have just graduated from college. Her parents barely speak. And everything she once dreamed of doing winning a gold medal, traveling the world, falling in love seems beyond her reach. But Bryce has changed too, in seemingly impossible ways. She knows things she shouldn't things that haven't even happened yet. During one luminous summer, as she comes to understand that her dreams have changed forever, Bryce learns to see life for what it truly is: extraordinary.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
