

# Waking Dream of Forgiveness: Hypnotherapy for Releasing Anger and Resentment

Waking Dream of Forgiveness is Hypnotherapy for releasing anger and resentment. This hypnotherapy first uses a guided breathing exercise that produces profound relaxation which readies the mind to gain a new perspective on life. The guided breathing exercise is followed up with images and suggestions that replace all feelings of anger and resentment with feelings of love, kindness, forgiveness and compassion. It is based on the principle that all healing comes from love.
