

Coping with Anxiety: Ten Simple Ways to Relieve Anxiety, Fear, and Worry

Relieve anxiety, fear, and worry for good! Fully revised and based in the latest research, this second edition of Coping with Anxiety includes the latest DSM updates and provides immediate, user-friendly, and effective strategies to stop anxiety at its source. If you suffer from anxiety, you may try to avoid the situations that cause you to feel uneasy. But avoidance isn't the answer and letting your fears and worries constantly hold you back will keep you from living the life you truly want. So, how can you learn to cope with your anxiety while it's happening? In Coping with Anxiety, Second Edition, renowned anxiety expert and author of The Anxiety and Phobia Workbook, Edmund Bourne, offers a clinically proven, step-by-step program to help you overcome the physical, mental, and emotional symptoms of anxiety. The exercises in this book can be done in the moment, whenever you feel anxious, and will help you move past your fears and start living the life you were meant to live. Don't let anxiety keep you one step behind. This book will show you how to face your fears, overcome panic when it happens, and take charge of your anxiety once and for all.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
