

C++ Programming(Chinese Edition)

Paperback. Pub Date: 2009 Pages: 296 Language: Chinese in Publisher: Electronic Industry Press book for the the universities computer and related professional high-level language programming curriculum development. the book is divided into three parts: The first part is a C++ programming foundation. First overview of the development of C++ language history. characteristics. and program design thinking of. and thereafter for data types and expressions. flow control. array. pointer. reference. functions. etc.: The second part is a C++ object-oriented program design one by one to explain the C++ language. abstraction. encapsulation. inheritance and derived polymorphic mechanism; The third part is a C++ programming. advanced features. including input / output streams. templates. exception handling. and comprehensive case analysis. Book is clear. easy to understand. and...

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
