

Knockin Boots: A Novel

Bestselling author Tracy Price-Thompson returns with another steamy novel, packed with wife swapping, down-low desires, racial self-hatred, and sexual swinging. . . .Kevin Lawson has a secret. This hard-charging army sergeant is drawn to seedy sex dens, adult bookstores, and kinky encounters with multiple partners. To hide his cravings, Kevin uses his wife to solicit bedroom playmates and to indulge his ever-growing fantasies. A preacher's daughter, college graduate, and ex-stripper, Freak Nasty Fancy Lawson has done it all and loved every moment of it. But now Fancy must face the truth of her husband's sexual addiction or risk losing the one constant in her ever-changing world. Emile Pinchback is a dark-skinned brotha with issues, especially when it comes to his bootylicious, ghetto-fabulous nubian sistahs. He worships at the feet of the slender, blond-haired Becky Ann. But once he looks past her milky skin and into her heart, his racial stereotypes are blown wide open. Sexy and full of Brooklyn spice, Sparkle Henderson loves on the black-hand side or not at all. Just a whiff of jungle fever can send her flying into a rage, but when she's caught in a web of sexual trickery, she finds love in a strange place and is forced to reexamine her beliefs. With a fresh look at love and lust in uniform, Tracy Price-Thompson's sensual characters come alive in this erotically-charged page-turner of urban life. From the Trade Paperback edition.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
