

## Secure in Heart: Overcoming Insecurity in a Womans Life

Being secure in heart is about knowing who God is, who Jesus is, who you are, and being able to apply this knowledge in a way that sets you free. With openness about her battles with insecurity, she walks boldly, yet gently, into readers hearts and helps them answer with faith the questions that rise from deep within. For each of these questions, the author shows how to identify Satans false securities and then how to overcome them by understanding and applying Gods nature. Through stories from her life and the lives of other women, Weidner brings this hidden struggle into the light, giving women confidence to engage their battle and fight for their true heritage as daughters of God. Includes an in-depth study guide to help individuals and groups internalize the truths from this needed resource.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
