

Slow Boat Through France

Almost 8,000km of canal and river navigations penetrate the French countryside. The author was one of the pioneers of boating in France in the late 1960s and in this book he tells of his encounters as he cruises and eats his way through one of Europe's most popular destinations. This illustrated travelogue also describes the careful advance planning necessary before crossing on his boat Avonbay from the Thames to Calais and his subsequent adventures from the north to Alsace, into Switzerland and Belgium and through the heart of Burgundy to the sun-drenched Canal du Midi.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
