

Ready-to-Use Old-Fashioned Sports Illustrations (Dover Clip Art Ready-to-Use)

Sports in the good old days are the theme of this royalty-free archive of over 460 superbly detailed line illustrations featuring players of every kind of sport, suited up and ready for action. Most of the men and women depicted are modeling Victorian and early-20th-century sporting outfits and uniforms, but if their garb seems quaint, their sports are very familiar: baseball, football, handball, bowling, tennis, golf, horseback riding, polo, archery, shooting, hunting, skating, skiing, sledding, fishing, swimming, boating, bicycling, boxing, fencing, billiards, and even rugby, lacrosse, cricket, croquet, and bocce. Selected from rare authentic sources, the illustrations in this book have been carefully chosen for quality and usefulness.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
