

Many Mansions

...is recorded fact. Thousands of microfilms filed at the Association for Research and Enlightenment at Virginia Beach testify to Cayce's ability to diagnose, prescribe for, and cure the ills of people whose names and locations he was given, but whom he had never seen. Known as The Miracle Man of Virginia Beach, his successes astonished medical authorities--and the world. Many Mansions is Dr. Gina Cerminara's account of these healings--and an affirmation of the age-old belief in reincarnation. She tells how Cayce saw past the barriers of space and time, how he penetrated the previous lives of his subjects, and performed the fantastic cures and prophecies that made him the most remarkable clairvoyant in modern history.
