

The Catfish Book

What would the state of southern plate and palate be without this staple? What is his great appeal? What is his family tree? How do you hook him? And if so, how do you cook him? But first you have to clean him, so how do you do that? This light-hearted book of catfish facts and folklore gives ample answers to these monumental questions and to others just as acute. And cooks wishing to greet their catfish on the stove top rather than on the riverbank will delight in this book's variety of award-winning recipes from the National Farm-Raised Catfish Cooking Contest.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
