

OWIN and Microsoft Katana 101

This short book is for .NET C# developers who are curious about the Open Web Interface for .NET (OWIN) specification and Project Katana and want to learn more. The ecosystem of OWIN-based components is undoubtedly the future of the .NET framework-based web development. As a pointer of things to come, Visual Studio 2013 creates references to the Microsoft.Owin.* packages by default, for most of the ASP.NET project templates. The objective of this book is to introduce you to OWIN and Katana, the middleware goodness, and hopefully better your understanding of OWIN applications.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
