

Montessori Games & Learning Lessons: Games, Crafts, and Activities to Nurture, Empower, and Have Fun with your Child while Remaining True to the Montessori Tradition

During my years as both a Certified Montessori Teacher and a caregiver, I received numerous requests from parents for more information outlining practical methods to facilitate their children's development in a simplified, condensed manner that honored the Montessori way. The result is this book. I have restricted this material to simplified, comprehensive, and most importantly applicable lessons for parents, parents to be, and guardians. I include fundamentals and ideas taken directly from my hours in the classroom, my time as a nanny, my personal studies, and from insights shared with others dedicated to the tradition. Happy Parenting!

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
