

## 49 Days: An Interactive Journal of Self-Development

49 Days is an interactive journal designed to help readers nurture their mindfulness, inner dimension and relationships. Over the course of seven weeks, readers are encouraged to focus on one area of inner work at a time, ranging from love and relationships, all the way through to self-improvement, truth and the spiritual dimension. This uplifting books vibrant water-color images and innovative design really brings each days work to life. Each day, Rivka Levy gives you a different exercise to do, to encourage self-development and reflection through writing, list-making, meditation and much more. Based on the deep wisdom of the Jewish Kabbalah, each weeks work builds on the next, with plenty of room for writing and reflecting. By the end of 49 days, readers will have much more insight into who they really are, what they really want to do in the world, and how to overcome any obstacles that could be holding them back from living their lives to the full. As well as being a powerful tool for self-development, this beautifully-designed, full-color book will also make a perfect gift for that special someone.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
