

Wooden Boats: From Sculls to Yachts

A beautifully illustrated gift book that celebrates the beauty, craftsmanship, and mystique of wooden boats. From the 1939 Thunderbird, the biggest, fastest mahogany speed boat ever built, to Nova Scotia lobster boats to luxury yachts and rowing boats, *Wooden Boats* celebrates the full array of these boats in striking color photographs and informative text.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
