

Love Hurts (Clearwater Crossing Book 14)

Every time Jenna sees Melanie, all she can think about is the kiss her friend shared with Peter. Jenna wants to believe it meant nothing, but her jealous heart tells her that's not true. Maybe she and Peter never should have turned their friendship into romance. And maybe breaking up would be the best thing for them all. . . . Miguel loves working at the hospital. Not only does he witness the incredible skill of the doctors firsthand, but he's making a difference in the lives of sick kids, especially of nine-year-old Zach. The nurses have warned Miguel about having favorites, but he can't help getting attached to the brave young boy who's fighting for his life. Besides, Zach's going to get well . . . isn't he?
