

Start Your Own Import Export Business (Start Your Own Business)

Start Your Own Import/Export Business explains different approaches to the import/export business - from working as a consultant for other countries wanting to export their product to acting as a middleman, buying from a manufacturer, and selling to wholesalers in another country. Use Start Your Own Import/Export Business as your guidebook and resource for learning all the necessary elements for getting started: Product selection, start-up costs, legal and tax considerations, financial and customs regulations, useful resources, and common pitfalls.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
