

## Infinite Ripple - The Social Media Revolution

An essential read for anyone wishing to utilise the power of social media in their personal, academic and professional lives. A strong focus on Irish examples contextualises key concepts of the growing global phenomenon with advice to harness this opportunity. Discussion is relevant to modern businesses intent on keeping on top of developments in customer engagement and interaction to improve profitability by exploiting the massive potential offered by this relatively new medium. Relevant theory for students, academics and researchers is explained in a succinct manner, utilising laymans terms and topical examples to ease understanding. Whether you are new to Facebook, Twitter, YouTube or an avid user already, there is advice to effectively leverage social media for everyday success.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
