

Baby Not on Board: A Celebration of Life without Kids

For anyone who's wondered, Why have kids when I could have fun instead? here's a warm and hilarious welcome to the wonderful world of unparenting! The childfree life is growing in popularity, and finally here is a book that celebrates the wisdom and wonder of that choice. For those who cherish their white shag carpet and glass coffee table, this highly interactive book with quizzes, sidebars, and handy checklists offers a range of helpful, unparenting information including ways to throw oneself an unbaby shower and strategies for coping with dreaded OPCs (other people's children). **Baby Not on Board** reminds us all that having a baby is great, but NOT having a baby is really, really great.
