

The Peninsular War Atlas (Revised) (General Military)

Now back in print, this new and revised edition of The Peninsular War Atlas has added new and updated maps and content to reflect the latest research into the long struggle for control of the Iberian Peninsula, all in an attractive slip case gift package. Colonel Nick Lipscombe, who is based in Spain and is the chairman of the Peninsular War 200 organization, has used his unique perspective to make this new edition the very best study of the subject on the market. The Peninsular War saw some of the bloodiest fighting of the Napoleonic Wars. Over a period of five years it is estimated that half a million soldiers and civilians were killed in this bloodbath, however the battles there are far less well-known than other Napoleonic battles like Waterloo. Despite the exposure given this theatre in the Sharpe novels, the soldiers who fought there have received little public recognition. The bicentennial commemorations of this war aim to bring the war to wider recognition, bringing the Spanish, Portuguese and British together in remembering the dead, and re-examining the war in a balanced way.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
