

Getting Better Bite by Bite: A Survival Kit for Sufferers of Bulimia Nervosa and Binge Eating Disorders

Getting Better Bite by Bite is an essential, authoritative and evidence-based self-help programme that has been used by bulimia sufferers for over 20 years. This new edition maintains the essence of the original book, while updating its content for today's readers, drawing on the latest knowledge of the biology and psychology of bulimia and its treatment. The book provides step-by-step guidance for change based on solid research. The use of everyday language, stimulating contemporary case study, story-telling and evocative illustrations in Bite by Bite provide encouragement, hope and new perspectives for all readers. This handy-sized book fills a need for easy-to-understand information about Bulimia Nervosa, a serious and prevalent eating disorder. Ulrike Schmidt and Janet Treasure are world-renowned researchers and authorities on eating disorders, and June Alexander, a former sufferer of anorexia and bulimia, is a respected writer and internationally-known eating disorder awareness advocate. Getting Better Bite by Bite is a valuable resource - for sufferers, for their families, and for the health professionals and carers treating them.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
