

Soul Secrets: A Spiritual Guidebook to Your Team - Angels, Spirit Guides, and Departed Loved Ones

On our harsh world we often feel scattered, confused, fearful, and alone. But we are not! At every given moment, of every day, throughout our life, we each have our own Team of Angels, Spirits Guides, and departed loved ones. A group of powerful and wise spirits who guide and protect us. This book teaches you how to communicate with them! Despite the common belief that in order for us to communicate with our Team we need to be born a medium, we dont! Because like myself, you too can awaken your built-in sixth sense and use it to communicate with any of your own Team members and use their power and wisdom in your life. In Soul Secrets, you will learn: *Each member of your Team and their unique purpose in your life. *The different signs and other ways in which they communicate with you. *The necessary spiritual work that will prepare you for communication. *The various communication techniques. *How to communicate with them! Soul Secrets is mainly about the Team concept but it also covers additional important spiritual topics that will help you view your life from the perspective of your soul and not your mind. This is an important spiritual perspective that will change and improve your life.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
