

Dave Mirra

Dave Mirra was one of the most-decorated American BMX riders before evolving into a rallycross racer and then a triathlete. At the height of his career, Mirra held the record for the most X-Games medals with 14 gold, six silver, and four bronze, until Bob Burnquist passed him in 2013. Mirra's 14 golds are second only to Shaun White's 15. Further, Mirra medaled in every X-Games since the contests inception in 1995 through 2009, except for 2006. As a BMX rider he was most known as a vert and park rider; two of the various disciplines of the sport. Mirra also competed with the Subaru Rally Team USA as a rallycross driver and then broadened his horizons by competing in Ironman triathlons.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
