

# The Hollywood Standard, 2nd Edition (Hollywood Standard: The Complete & Authoritative Guide to)

The Hollywood Standard describes in clear, vivid prose and hundreds of examples how to format every element of a screenplay or television script. A reference for everyone who writes for the screen, from the novice to the veteran, this is the dictionary of script format, with instructions for formatting everything from the simplest master scene heading to the most complex and challenging musical underwater dream sequence. This new edition includes a quick start guide, plus new chapters on avoiding a dozen deadly formatting mistakes, clarifying the difference between a spec script and production script, and mastering the vital art of proofreading. For the first time, readers will find instructions for formatting instant messages, text messages, email exchanges and caller ID.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
