

Phone Calls From The Fifth Tee

From some of golf's legendary courses to places only a Navy Chaplain might go, here are stories for the heart of golfers and non-golfers alike. Tom Nichols has played golf in several countries and numerous states. Nearly every course evokes a story from his commitment to the men and women of our Nation's military services, and the wonderful people of the United Methodist Churches he has pastored. From sand traps to mulligans, these messages of life, leisure and the pursuit of the soul will speak to nearly everyone.
