When Your Dreams Are a Message from God... Everyone dreams. Sometimes you remember your dreams in vivid detail; sometimes they don't seem important. Death at 40 is a compelling memoir from Cheryl A. Shaffer about the role that dreams played in communicating warnings, prophecy, and hope. The frightening, astonishing, and enlightening journeys that Cheryl took through the mysterious landscape of dreams will inspire you to pay more attention to your own dreams, and to determine whether they come from God, or from Satan. As you walk through Cheryl's life with her, she gives you the tools you need to determine the source of your dreams. You will find a Basic Mini Dream Dictionary and a Dream Interpretation Worksheet to help you connect to your spiritual calling, and to heed God's warnings.
