

## Home with God, a Guidebook

Neale Donald Walsch, NY Times Best Selling Author founded a nonprofit education company that publishes workbooks for each of his eleven major books in the Conversations with God series. Home with God - A Guidebook, is the third in the SNS Press series for adult in-depth study, leaders and youth ready to experience and perhaps teach new spirituality principles offered in Mr. Walsch's books. The Home with God, A Guidebook encompasses Neale Donald Walsch's explanation of what occurs before, during and after death. It is an illuminatory celebration of joy, written in hopes of releasing its readers guilt and fear---and replacing it with hope, love and a thirst for every experience in our physical lives. Exercises will guide readers through the Eighteen Remembrances, or ultimate truths, that our souls have known for eternity but have forgotten while in the physical realm; it is in the remembering of these truths that we are able to release our fears about death and live lives based in love.
