

The Social Construction of Anorexia Nervosa (Inquiries in Social Construction series)

^A readable book that contains simplified information of some complicated concepts. It will prove of benefit to those readers in the field of women and social studies - European Eating Disorders Review The concepts presented in this book are carefully argued, succinctly organized, and genuinely stimulating.... It provokes clinicians to think about treatment and the effect of diagnostic practices, it provokes researchers to ask different questions, and it provokes students to read beyond dominant and conventional texts. This is a timely and important publication that deserves to feature prominently in the ongoing study of anorexia nervosa - Journal of Community & Applied Social Psychology

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
