

Get Out of the Left Lane!!: Drive the Right Way!

No, this book is not about politics. Contrary to another possible interpretation of the title, its not about how to bring the liberal thinker across the aisle to join the conservative side in the political arena. What it is about is bringing a little awareness of how we conduct ourselves while driving on the streets and highways of this country. Perhaps 99% of all accidents are caused by driver error, inattention, inexperience in being able to handle given driving situations, or just plain dumb actions on the part of the driver, passenger or pedestrian. Get Out of the Left Lane: Driving the Right Way is about reminding drivers of those things they really should already know or have forgotten, neglected, or ignored. Its about trying to inspire a little responsibility, knowledge and common sense into our daily habits, having consideration for others when driving on our roadwaysaspects of civility that the mainstream of this country seems to be losing. This book is about pointing out where our weak spots are and making suggestions on how to strengthen them. Its about how to better manage both our manners and our actions while were behind the wheel of an automobile. Bold recommendations are made on how to apply common sense in making our driving experiences safer, more efficient and more fun. Numerous pictures and illustrations are given to help the reader to visualize scenes from their own driving experiences to which they can relate. Cool Tips for Better Driving and a fictitious The Perfect Drive round out this entertaining and informative reading. Although this text reads like a novel, its instructional in nature, and contains a collection of stories, personal examples, and scenarios that are interesting, informative, and brimming with wit and humor. I do hope you enjoy reading and learning from it. A must read for all drivers from 16 to 96 years old.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
