

Thought Power

The human mind has a hidden power that can do amazing things. The key is for one to learn how to activate this power and control it. That is what this book is about. Subjects include training the mind, improving concentration, strengthening thought power, meditation, improving memory, thought transference, building the mental body, combining thoughts with others and achieving peace of mind. This is an easy to read instruction manual for the mind that includes practical exercises.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
