

## The Accidental Human (Accidentally Paranormal)

Wanda Schwartz is raking in the dough selling Bobbie-Sue Cosmetics-and shes a pro at recruiting new saleswomen. So, shes shocked when a man comes to one of her in-home parties-a very hot man. Heath Jefferson is sure to put some extra spin into a lot of womens color wheels. When Wanda is diagnosed with a terminal illness, it doesnt have to be a death sentence. With a werewolf and a vampire for best friends, she has options that most ordinary people wouldnt. As Wanda ponders what to do about her mortality, Heath reveals he has secrets, and one of them is that his former bloodlust has turned into an old-fashioned lust-for Wanda. And hes already given up too much to lose the love of his lifetimes.
