

## Dungeon Games: Exploring beyond just vanilla... (WifeSwap Book 3)

This is the third book in a very sexy series! Be sure to start with the first two books. WifeSwap: The Affair (Book One) WifeSwap: Swing Club (Book Two) They are a newly swinger couple from New York City. Following their heart and body they learn how much fun a swinger lifestyle can actually be. Join us as we head back to NYC and meet up with our other lovers within the city. We continue to explore the swinger lifestyle as things get kinky after a weekend of vanilla pleasure. The Dungeon Games are this week, which we are going to, and I have a little surprise for Allyssa that Jessie is unaware of. Should I tell Jessie or wait? Read on to find out what happens as our lifestyle grows just a bit more complicated and a bit more kinky!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
