

## Break Me (Outlaw MC Book 8)

What if bad guys ruled the world and the good guys were the outlaws? Now that the war is over, Outlaw returns to Earth to break his lost lover Liam out of prison. But what the VP of the club experienced is still unknown. Outlaw must prepare for the worst broken lover that he took too long to rescue. Meanwhile, Mars is rebuilding under new leadership but the peace is short lived with an old enemy on the loose. And Prospect has some unexpected revelations, like his crush on Outlaw. As if the president of the Outlaw MC didn't have enough to deal with. Finding Liam in an abandoned Earth prison is his goal, the rest of the universe will have to wait. Outlaw only hopes he isn't too late to be Liam's hero.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
