

Merry Christmas, Eve. (All about Eve.) (Volume 1)

Eve Taylor, a self-confessed Christmas addict, should be at home decorating her tree and baking cookies for Santa. Instead, she's stuck in a snowed-in airport the night before Christmas Eve. Another lonely Christmas seems inevitable until Grayson Parker and his two small children come barging into her life. Will Grayson be able to melt her heart in time for a Merry Christmas or will events conspire to pull them apart?
