

Creativity Research: An Inter-Disciplinary and Multi-Disciplinary Research Handbook (Routledge Studies in Innovation, Organization and Technology)

Compared to its cousin innovation, academic research on creativity has been less well covered in journals and books. This is despite the fact that creativity has a profound role in many different subject disciplines. This book is a unique collection of some of the latest research from a range of leading creativity researchers. Providing a clear understanding of the main concepts, this book: Introduces creativity from an inter-disciplinary perspective Discusses the environmental determinants of creativity development Explores creativity research in the differing disciplines of business, music and education Creativity Research will be of interest and importance to researchers across a variety of subject disciplines, as well as students and practitioners of creativity, innovation and organizational behaviour, amongst others.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
