

Chris & Nancy: The True Story of the Benoit Murder-Suicide & Pro Wrestling's Cocktail of Death

The Benoit murder-suicide in 2007 was one of the most shocking stories of the year, and a seminal event in the history of wrestling. It laid bare the devastating prevalence of steroids and its effects on users. In order to tackle the whole story, dig up the facts, and connect the dots, Irvin Muchnick gives the most sensational scandal in pro wrestling history the full true-crime treatment in *Chris and Nancy*. Muchnick the author of *Wrestling Babylon* and a co-author of *Benoit: Wrestling with the Horror That Destroyed a Family and Crippled a Sport* has parsed public records and interviewed dozens of witnesses, inside and outside wrestling, to put together the first thorough and authoritative events of the gruesome June 2007 weekend in Fayette County, Georgia, during which World Wrestling Entertainment superstar Chris Benoit murdered his wife Nancy and their seven-year-old son Daniel, before proceeding to kill himself. But this book goes beyond the crime itself to answer some of the most important questions behind it. The biography of Benoit, a wrestlers wrestler, makes it clear that his tragedy was a microcosm of the culture of drugs and death behind the scenes of one of North America's most popular brand of sports entertainment. The author probes the story of the massive supplies of steroids and human growth hormone found in his home all prescribed by a doctor to the stars who got indicted by the U.S. Drug Enforcement Administration, and all dismissed by a WWE wellness policy that promoted everything except its talents wellness. The Benoit case led to unprecedented scrutiny of wrestling's overall health and safety standards, by Congressional investigators and others, and this book is the primary source of what they found and what they should continue to look for. The ebook edition includes a new introduction that looks at recent events in sports, and further contextualizes the

story of Chris Benoit and the figures surrounding his career.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
