

Dude Ranching in Arizona (Images of America)

Dude ranches were Arizona's first destination vacation. The earliest were built on working cattle ranches, stage stops, mining claims, and homesteads. Early dudes were typically wealthy and stayed for a long time, some for so long that one ranch had a school for its guests' children. Dude ranches were built around unspoiled country and offered spectacular views, healthy weather, and the chance to experience the cowboy life. Hollywood filmmakers came and, with them, some of the biggest figures of their time. Among those who were guests at dude ranches were John Wayne, Gary Cooper, Clark Gable, Katherine Hepburn, Spencer Tracy, Dean Martin, Tom Hanks, Walt Disney, and US presidents.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
