

The Method of Chinese Wrestling

One of the arts earliest and most complete training manuals, The Method of Chinese Wrestling explores all aspects of this ancient fighting system, including solo training, training with equipment, constructing training apparatus, application of techniques, and the rules of competition. Throwing, gripping, and falling techniques are revealed in minute detail, and in accompanying photographs, the author and his top students illustrate the methods described. Both a fascinating historical document and a practical training guide, the book is an essential reference for anyone interested in the martial arts.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
