

The Satanic Scriptures

The Satanic Scriptures hands down the wit, wisdom and diabolical perspective of the Church of Satans High Priest, Magus Peter H. Gilmore. These essays, articles and diatribes have been collected from over twenty years of the High Priests writings for his infernal cabal, some first issued in the pages of publications available only to insiders. From the magic of toys to techniques of time travel, Magus Gilmore leads the reader down a Left-Hand Path where few will find what they expect. The Devil always has all the best tunes and now youll hear from a Satanic Maestro how the Dark Lord has influenced composers and musicians long before the advent of electric guitars and stadium concerts. Magus Gilmore reveals principles of Satanic Ritual in a frank discussion of forbidden rites. What is a Satanic Funeral? How do Satanists marry? Find out now, as these unholy ceremonies have never before been disclosed outside of the Church of Satans Hellish Hierarchy. Here is the philosophy for those bold enough to be their own Gods-or Devils.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
