

## Angry Children, Worried Parents: Seven Steps to Help Families Manage Anger (Seven Steps Family Guides)

Acknowledging that anger in children is an emotion that cannot be entirely avoided, this guide outlines a 7-step program to promote anger management in children aged 4 to 14. It offers techniques to help children deal with stress and anger, build confidence and resilience, and use effective coping behaviours to avoid dysfunctional behaviour.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
