

## Marriage Is for Love

The Christian home is not immune to the ills which beset marriage and the family. The Christian counselor is becoming increasingly familiar with stories of unfaithfulness, bitterness, temper, criticism, and declining affection among believers. During his ministry, the author, Richard L. Strauss has given guidance from Gods Word to hundreds of troubled couples. It is Dr. Strausss conviction that the Bible tells us everything we need to know to establish happy and successful marriages, and in this inspiring and down-to-earth book he sets forth Gods principles for making marriage work. Whether you have been married for five years or twenty-five-or are just planning the wedding ceremony-an understanding and application of the lessons taught in Marriage Is for Love will strengthen the fabric of your marriage relationship.
