Kate also puts modern twists on old classics, from her Spiced Creme Brulee, to her irresistible Peanut Butter and Chocolate Ice Cream Sandwiches, or her Brown Butter Cheesecake. This is food to weaken even the strongest resolve! The structure of the book is designed to guide the home cook from the basics incorporating basic techniques, such as sauces and syrups; how to make the perfect meringue; make your pastry rather than buy it; how to cook with gelatin to beyond the basics for the more confident cook. And, if you really want to impress, theres a Ramp it Up chapter at the end where all the techniques can be put together to wow your friends and family. Theres also a code throughout the book to help you determine which recipes are most suited to your particular cooking desires and ability. Indulge your own sweet tooth with this glorious book of baked treats and dessert recipes from Australias MasterChef 2011 winner; and dont forget the golden rule always lick the bowl! Includes dual measures, as well as a list of gluten free, dairy free, and egg free recipes to help readers with specific dietary requirements.
