

Critical Perspectives on Child Sexual Exploitation and Related Trafficking

This volume is the first major exploration of the issues relevant to young people who are affected by sexual exploitation and trafficking from a variety of critical perspectives. Issues include accommodation, gangs, migrant and refugee communities, perpetrators, international policy and the language through which we construct child exploitation.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
