

## Under The Bus: Why Women Hurt Women in Business. And, How to Change It.

Under the Bus: Why Women Hurt Women in Business...And How to Change It, is the first book of its kind to address a very counter-productive tendency that some business women, as well as women in other professions, gravitate toward...throwing colleagues under the bus for perceived personal gain. The book is based on research and one-on-one interviews with women in a wide variety of business positions and stages in their careers. Blakey begins by explaining the herstory and causes of under the bus syndrome in the workplace. In subsequent chapters she provides real-world stories which illustrate the syndrome. She also looks at how this issue impacts women and their workplaces.

Throughout the book, Blakey provides positive solutions and practices that any woman can use at any time in her career, or even her personal life, to address under the bus syndrome and move forward feeling empowered and internally validated.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
