

The Quotable Cat: A Collection of Quotes, Facts, and Lore for Feline Fanciers

Outside the occasional meow, cats are not known for their great conversation, but many of their famous human companions have had much to say about them. The Quotable Cat contains hundreds of examples:- Leonardo DaVinci, who really ought to know about such things, has said, The smallest feline is a masterpiece.- According to Garrison Keillor, Cats are intended to teach us that not everything in nature has a function.- Roy Blount Jr. tells us, Cats have intercepted my footsteps at the ankle for so long that my gait, both at home and on tour, has been compared to that of a man wading through low surf.- You cant look at a sleeping cat and feel tense, says Jane Pauley. Learn all about the secret methods of cat hypnosis, read about theories on purring and get up-to-date on a variety of quaint cat superstitions. Everything youve always wanted to know about cats is in this volume. Arent you curious?

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
