

Implementing an Integrated Marketing Communications Strategy (Thorogood Reports)

Just what is meant by marketing communications, or marcom as it is frequently called? How does it fit in with other corporate functions, and in particular how does it relate to business and marketing objectives? All the evidence indicates that the vast majority of companies are without a marcom plan. With the continuing growth in brand competition and an increasing number of undifferentiated products, the demand for better marketing communications has grown substantially. In order to be ahead and stay ahead of your competition, it is essential to integrate all your marketing communications as part of your marketing plan.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
