

## The Mighty Whys

This is a book for children of all ages, from age 0 - 120. The book shows the power in asking questions. Knowledge, freedom, independence and leading by asking questions. All of us come into the world curious. The first out of seven Leonardo Da Vincis principles Curiosita - the quest for continuous learning - comes first because the desire to know, to learn and to grow is the powerhouse of knowledge, wisdom, discovery, creativity, freedom, independence, wealth and health. In addition to being a continuous learner yourself, you can also be a Curiosita Coach for your kids. Guide them to use the What, When, Who, How, Where and Why approach to learn and provoke them to ask questions. This book was written to convince you and help you being your childs Curiosita Coach. You will learn about the WH Questions and The 5Why approach.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
