

Race Series Collection (Dungeons & Dragons d20 3.5 Fantasy Roleplaying, 3 Book Slipcased Set)

The second in a series of essential titles for the Dungeons & Dragons roleplaying game. This slip-covered gift set contains three supplements that expand the core race options for the D&D roleplaying game: Races of Stone, Races of Destiny, and Races of the Wild. Choosing a race is one of the most fundamental steps in creating a character, and for the first time the supplements that focus on this important area have been collected in one set.
