

A Life Outdoors: Hunting, Camping, and Fireside Fun

A Book for Those in Need of Outdoor Enlightenment...or a Laugh. Im always asked to tell this story or that one. Usually Im found fireside, flames casting shadows and me deep voicing a tale with gesturing hands and rich embellishments. I love nothing more than seeing a nephew, niece or one of my children sitting wide-eyed in anticipation of my next account. Laughter and stares of bemused wonder are priceless to me, whether they be from child or adult. It was suggested that I should write some of this stuff down before I forget the many episodes that have enriched my life. Ill admit, Father Time makes all memories fade and the stories grow vague in my mind. So, here are a few of my favorites mixed in with memories from a childhood spent outdoors that were just too precious not to be included. Thanks for reading and God bless.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
